Old Business: Considering flipping the times of Parish Council and Finance Council meetings. Working on discerning the responses from the survey and how to implement them. Suggestions to start up children's program (ages 2 - 6) during first part of Sunday Mass- details to work out regarding parent involvement. LouAnn Herzog is attending meeting on Sept. 28th for "Rural Life Days". More details to follow.

New Business: We are looking for more parishioners to accept the role of Parish Council members.

Annual Meeting preparations are in progress. We plan to do a joint Advent Mailing again this year. Postcard front options to be ready for October meeting. The Christian Women's offer to install an Air Conditioning unit in the Conference Room was respectfully declined based on the previous decision to table the project. We have some large projects coming up (septic) and will focus on those items at this time. Council member blessings on October 15th, and Day of Prayer @ St. Greg's October, 21st. December 24th (4th Sunday of Advent) looking at scheduling Sunday Mass at *only* 4:00pm Saturday and 9:00 am Sunday. Christmas Masses would follow Sunday evening.
